C. Baldwin, and Rickey Fennie; and Auditor Anthony Brown. The Hearing Officer was Jim Hampton.

The meeting, having been duly noticed according to the Alabama Open Meetings Act, was called to order at 9:00 a.m. and a quorum was declared.

Commissioner Sharp offered an amendment to the November 30, 2017 minutes to reflect that Accounting and Personnel Director Molli Jones was present at the November 20 meeting. Commissioner Watts made a motion to approve the November 30, 2017 minutes as amended. Commissioner Sharp seconded the motion and it passed 9-0.

Executive Director Patricia Anderson presented the November and December 2017 financial reports. Ms. Anderson reported that Accounting and Personnel Director Molli Jones and she had a productive meeting with Alabama Treasurer Young Boozer to discuss the Commission’s investments. Interest on funds have dipped due to the change in bond rates. Revenue is ahead of projections. Original and temporary licenses continued to increase in FY16 and FY17. Expenditures are up mainly due to personnel and personnel benefit costs. Once the state’s hiring freeze was lifted, staff members who were eligible received increases in salary. There was also an increase in state employees’ insurance premiums.

Ms. Anderson reminded Commissioners about the upcoming Alabama Association of REALTORS® Capitol Conference on February 5-6 and the Alabama Center for Real Estate’s Commercial Real Estate Conference and Expo (ACREcom) on February 9. She also informed them that the travel mileage had increased to 54.5 cents per mile.

Assistant Attorney General Mandy Lynn asked Commissioners whether they would prefer to receive copies of all hearing exhibits that are introduced to assist them during deliberations. Commissioners will consider whether this would be beneficial to them and decide at a future meeting. Exhibit copies could possibly be provided on an as-needed basis.

Education Director Ryan Adair provided an update on the status of exam pass rates. The low exam pass rates were the only finding from the Commission’s last audit; however,
measures were being taken to address the issue prior to the audit. Considering all of the initiatives the Commission has taken over the past three years to assist instructors in improving their courses and pass rates, the Commission will take the next step in this process. A letter has been mailed to prelicense instructors informing them that the Commission will review schools and instructors beginning in July 2018. If their pass rates are low, the school will be audited and possible action will be taken in the form of a formal complaint.

Strategic planning consultant JDanny Cooper provided an update on the legislative bills that may affect the Commission. There are 43 bills being monitored and many of them concern regulatory boards and commissions. Nine of the bills would significantly affect regulatory boards and commissions.

Ms. Anderson stated that additional work was being done on the Alabama License law revisions to clarify sections that licensees are having the most questions about, including property management. Commissioner Cummings initiated discussion about the increase in the number of continuing education hours, as has been requested by the Alabama Association of REALTORS®. Commissioner Cummings made a motion to increase the number of required continuing education hours from 15 to 18. Commissioner Denney seconded the motion and it passed unanimously 9-0. The change to CE hours will be included in the legislative bill.

Chairman Wright called for an Executive Session at 12:43 p.m. for 10 minutes to allow Commissioners to receive advice from Assistant General Counsel Mandy Lynn.
